Si inquadra il sup. (posto in alto)

SUP: What are you doing?

RAG: I was...

SUP: Stop, don't go any further
I know what you're doing and it's no good at all.

Listen to me, that I'm experienced

RAG: I was only...

SUP: I was only, I was only.

Come over here, I will explain some things to you...

Stacco sui due che si incamminano a braccetto

Mdp li segue frontalmente carrellando all'indietro

SUP: Just to show you my goodness
I will walk a little with you

RAG: Oh, tha...

SUP: Why the hell are you going along this street?

Only fools, forgive me, follow it
and, let me tell you, mad people.

No, no, no, you are not one of those...or maybe yes?

No, no, no, just listen: where do you think you're going?

RAG: I don't know...

SUP: Sure that you don't know!

Instead, I know very well where I'm going, really well..
and I clearly know where my way leads.

RAG: I'm a little confused, but...

SUP: Confused? Oh, certainly! Confused!.

Just tel me: do you know yourself?

RAG: Not exactly

SUP: So, unlike you, I know myself very well, really well;
come with me and I'll teach you how to know myself,
I mean... yourself.

RAG: But...

SUP: Even if you don't know yourself, what does it cares?
Just one little hint:

Be guided by your mind, that is superior,
by your super-ego that wants only the best for itself,
I mean, for you...so come on, come with me and I will teach you.

Il ragazzo si stacca dal sup.

RAG: I have the impression that you are a bit confused, too!

SUP: (aspro) Nonsense, nonsense!

I know, I know! Go away, you rebel!

Walk the path of the fools, of the mad ones!

PP invidia

INV: The guilt is of powerful people

Yes, It's their guilt,

they force us to make war to each other;

but their punishment will be so great,

they had the power but they haven't done.

INV: What do you think?

C/CC durante il dialogo con volti in PP

RAG: Actually, the problem of this world

Is the war among the poors:

so, between two people who mean nothing, one of the two

wants to prevail on the other,

at this point comes an influential person that support his idea

and makes him feel very important.

Obviously, the powerful doesn't care about

the poor's idea,

he supports him only to make him

take his part,

and at the end, the poor

become arrogant with the other poor

and so they don't know who is the real enemy anymore.

INV: Alright! Good boy!

Yes, It's all the guilt, of those who sit higher.

Presidents, kings, popes, saints!

Ah, even those who seem fairer

they do nothing.

If only I was among these...

Oh, If I was among these

INV: Come with me.

Let's go to speak to the people,

Let's whisper the truth in their ears!

RAG: In which sense: If I was?

INV: What?

RAG: In which sense: If I was?

You shouldn't want to be one of those!

INV: But... If I had their power...

RAG: This is the point:

it's not a matter of personal power;

you too, if you exercise a power,

even if you wanted to be fair,

you will make people behave according to your desires.

I believe that every people should

rebel beginnig from little things,

They should start to rebel against theirself,

against their habits, against their...

INV: Stop!

This is talking like a looser!

I incite to revolution against those who...

RAG: Not against “those”,
You have to start from you,
otherwise you won’t do anything else but
doing what “those” have done!

You miss the aim

INV: Weak, you are weak

I...I...If only I could...

*INV arrabbiata se ne va
(si inoltra in foresta intricata)
Sole acqua fuoco*

per finire sul volto disperato dell’ira*

IRA: Where are you going? What are you doing? Are you running away?

QUADRO ACCIDIA

*Panoramica casa dell’Acc. con lui seduto davanti

il ragazzo ricambia

C/CC Acc e rag. (Rag in pp, acc. seduta come in mezzo a una discarica)

ACC: What are you doing?

RAG: Just walking...

ACC: How wonderful...

RAG: I have no idea of what else I could do

ACC: Sure?

RAG: For example?

ACC: Stay here, calm

RAG: Yes (pausa), it won't be a bad idea for a little while
(pausa), but then?

ACC: But then... what? What else can you do?

RAG: You have to do something, sooner or later

ACC: It's doesn't change anything
you do, you do, you bother, you go crazy, you get calm
you go mad again, then you go to meet your maker
and we are back where we started from!

RAG: I've got it, but... I mean,
It's normal, but anyway you have to do something in your life!

ACC: For what? Or who,
we are anyway destined to become dust!

Don't try so hard, be quite

Be good and everything will be allright

RAG: Boh...I think that, you have to earn this "getting-allright"

ACC: Come on! If you do something, you'll always be wrong,
so, don't do nothing, this is the better thing!

Il RAG è imbarazzato (non sa cosa dire)

ACC: So come here and I will teach you how to live
in harmony with you, with what surrounds you, with your spirit...

Stay out of the world and the world won't touch you

RAG: This world is not so ugly to me...

You have only to be patient
and never stop searching
at the end, you will reach something,
at the end, you will meet or recognize someone.

L'ACC cambia espressione (si fa leggermente più cupo)

ACC: As you wish,
The life is yours!

Il ragazzo riprende a camminare

QUADRO AVARIZIA

Il Rag cammina

stacco su av. figura intera

stacco su rag che cammina

stacco su av. PA

stacco su rag. che cammina

stacco su av. pp

stacco su rag che cammina, si ferma di colpo, guarda stupito fuori campo, av. entra in campo e gli si mette davanti(tutto con mdp fissa)

AV: What is putting you down?
RAG: No, I was reflecting...
AV: A very sad reflection
RAG: Not exactly...
AV: What are you doing this way?
RAG: I don't have a precise idea of what I'm doing...just walking
AV: Have you lost something?
RAG: (riflette, poi sorride) A lot of things!
AV: I've lost too many things,
and, forgive my arrogance, always because of others' fault.
RAG: So?
AV: I've given and given without getting anything back,
better still, losing more and more,
and I don't give nothing anymore!
RAG: What do you mean?
AV: Do you know the *motto*
"Give a finger to someone and he will take all the arm"?
RAG: Yes...
AV: Well, this *motto*, in my opinion
It can be applied to the whole human kind!
Once, I gave "one" to them and they asked to me "one-hundred",
now, I don't give anything to no-one.
There's nothing to earn.
And now I hold my bag very tight.

*PP RAG guarda fuori campo
Dettaglio mano AV che stringe la borsa
(dialogo continua con pp rag.)*

AV: Feeling, for instance:
people are too egoist
just to hope to receive something in return
even a small part of the affection you demonstrate.
And even when they give you something in return
It's only because, in this way, they won't be in debt with you anymore.
It's only a matter of debt and credit
among men, only debt and credit

RAG: There's also somebody who gives in a disinterested way...

Si torna su inquadratura di partenza

AV: I've told you, It's always a matter of debt and credit
and, consequently, the interest born!
We are egoic creatures, there's always an interest
Even in our best action,
and, many times, actions apparently more disinterested
are instead the ones full of interest!

*RAG pensieroso
poi PP rag.*

RAG: And what about the sacrifice for the other,
the one that can lead us also
to lose our own life?

L'AV si porta la borsa al petto e la stringe forte (l'inquadratura si sposta mostrandone il volto)

AV: So...that...well...I...

*AV abbassa la testa sconfitto
Il RAG fa un cenno d'assenso tra sé e sé*
